↑ WRR (UK)

Contract: Pan Peninsula Health Club and Spa, London

Architect: KCA International

Judges' comments

Notable in its simplicity of materials, this project involves a wealth of complex architectural design and detail. Sadly, viewing the incredibly high standard achieved by the entrant will only be available to those who can afford to join this very exclusive health club and spa.

Judges' comments

The quality of installation on this project was outstanding. Another drylining masterpiece on a grand scale.
